Dear Andrew A. Pittel:

Congratulations on being selected, by YMWREA as one of the Top 50 Rising Stars in New York's Real Estate Industry, to be honored in the 50th Anniversary issue of Real Estate Weekly.

To mark the occasion, Real Estate Weekly will be publishing a special commemorative edition on June 30, 2005 featuring biographies and career highlights of the honorees. This special section will also be reprinted as part of the larger celebration of Real Estate Weekly's 50th Anniversary, which will chronicle the last half-century in New York City real estate.

Once again, congratulations on your selection to the "Rising Stars" of the New York Real Estate Industry.

Sincerely,

A handwritten signature in black ink, appearing to read 'CHRIS'.
